

# 5-day fly fishing adventure, Grayling

## 5-day fly-fishing adventure

NordGuide offers a fly fishing adventure in the wilderness of Swedish Lapland. This is a fly-fishing expedition with one singular goal, to get you your record Grayling.

Expect to fish in rivers and lakes, hunting by foot for the great "Lady of the Stream". Our teeming waters offer good opportunities for world-class fishing, and Graylings weighing 1-2 kilos are not unusual. The accommodation during your stay will be in a comfortable tent camp where we serve locally sourced food with a local flavour. Welcome to the last wilderness of Europe!

### About Swedish Lapland

Norrbottnen is the northernmost county in Sweden, with a population of 250,000 people, 160,000 reindeer and 65,000 snowmobiles spread over a quarter of Sweden's total area. We represent 2.8 % of the Swedish population which totals nine million. Norrbotten has 14 local authorities or municipalities. In area, Kiruna is the biggest and Haparanda the smallest. Luleå Municipality has the largest population – 72,000 – while Arjeplog has the smallest with just 3,000. Norrbotten contains the highest mountain in Sweden, Kebnekaise (2,111 m), as well as the deepest lake, Hornavan (226 m). Three of Sweden's four state-protected rivers run through Norrbotten: the Torne, Kalix and Pite rivers.
